Established in 1989, Phoenix Academy is one of Australia's premier professional training institutions. Boasting a large tranquil garden campus just minutes from the city centre Phoenix is renowned for its international diversity and vibrant atmosphere. The Academy has been providing quality training for pre-service and post-service teachers for over 29 years. All courses are designed by experienced tertiary trainers and delivered by expert practitioners. The emphasis in all courses is on modern, practical teaching skills and strategies. Phoenix Academy is an approved Teacher Training Centre for the University of Cambridge and is the only centre in Western Australia which delivers training at the DELTA level.

ITE's strategic partner is the Graduate School of Education at the University of Western Australia (UWA). For over 100 years the Graduate School of Education has mentored and prepared hundreds of teaching graduates. Many have gone on to become leading scholars, international researchers and inspiring teachers to their own students.

The UWA is a member of the "Group of Eight" and is internationally recognised as a leader in research and higher education. UWA was ranked as the 93rd best university in the world in the 2018 QS World University Rankings®.

Recent training projects completed have included a major Kingdom of Saudi Arabia six months training program for 50 Saudi teachers and principals in Perth (2017); and a three year strategic partnership with Hangzhou in China delivering high quality post service training to English, Science and Maths teachers and principals.
